The Journal of the Brazilian Chemical Society serves its readers as a forum for information related to the advancement of Chemistry. The Journal is devoted to the publication of research papers in all fields of Chemistry, except education, philosophy and history of Chemistry. The online journal is open access (http://jbcs.sbq.org.br).

Information for authors: full details of how to submit material for publication in the Journal of the Brazilian Chemical Society (online submission by ScholarOne platform) and Article Processing Charges (APCs) are given in the link Instructions for Authors (http://jbcs.sbq.org.br/Instr.authors).

Galley proofs are sent by the Editorial Office to the author who submitted the manuscript. Proofs should be checked and returned as soon as possible (preferably within 72 hours).

Back issues: back issues of all previously published volumes are available directly from the Subscriptions Office.

Creative Commons (CC) and iThenticate: through SciELO (http: www.scielo.org/php/index.php), JBCS has adopted CC-BY license from the 26-9 issue on as the main role of the Open Access. Such license, already being used internationally by leading journals and open-access publishers, aims at maximizing the dissemination of articles. The JBCS adopts the anti-plagiarism tool iThenticate, being benefited from an agreement supported by the Brazilian Association of Scientific Editors (ABEC), since the end of 2015.
